

2019-2020 South Carolina Volunteer Generation Fund Partner Application

Who we are

The United Way Association of South Carolina (UWASC) serves as the alternative administrative agency for the state's Commission on National and Community Service. Through volunteerism and national service programming, UWASC seeks to renew the ethic of civic responsibility for all of South Carolina's citizens. UWASC grants funds to faith-based organizations, community nonprofits, tribal communities, and educational entities to encourage volunteer engagement to help address pressing community needs.

Grant Overview

The United Way Association of South Carolina, with funds made available by the Corporation for National and Community Service (CNCS), is proud to announce the South Carolina Volunteer Generation grant competition. CNCS is a federal agency whose mission is to improve lives, strengthen communities, and foster civic participation through service and volunteering. Through AmeriCorps, Senior Corps, and the Volunteer Generation Fund, CNCS has helped to engage millions of citizens in meeting community and national challenges through service and volunteer action.

This South Carolina Volunteer Generation Fund (SC-VGF) grant opportunity aims to provide partner agencies with the necessary financial resources needed to implement evidence-based strategies that will increase their ability to engage and retain volunteers. UWASC will provide training and technical assistance as well as make available grants of up to \$25,000 to an estimated 10 eligible entities. It is expected that the average grant award will be in the \$15,000 range. The use of funding will be limited to expenses that are based on evidence-informed practices that have been found to correlate to strong volunteer engagement and retention.

Examples of funding request categories that would be eligible include, but are not limited to the following:

- Development of a written volunteer generation plan
- Formal partnerships for volunteer recruitment (including the establishment of marketing campaigns)
- Establishment of a volunteer unit within the program or organization
- Creation of volunteer manual/training/curriculum
- Creation of methods to promote regular supervision and communication with volunteers (including enhancements to technology/volunteer portal)
- Liability coverage or insurance protection for volunteers
- Screening and matching volunteers to jobs
- Regular collection of information on volunteer involvement
- Written policies and position description for volunteer involvement

- Volunteer recognition activities such as award ceremonies
- Annual measurement of volunteer impact
- Training and professional development for volunteers
- Training for paid staff working with volunteers
- Support of staff salaries and benefits for individuals who support the organization's volunteer engagement efforts
- Funds for hiring consultants to improve volunteer engagement practices
- Volunteer-focused conferences
- Translation of volunteer recruitment and training documents.
- Contracting with volunteer workshop presenters
- Funding for other evidence-based or evidence-informed strategies used to engage volunteers

Focus Area(s) that will be considered for funding include:

Disaster Services

Project activities will provide support to increase the preparedness of individuals for disasters, improve individuals' readiness to respond to disasters, help individuals recover from disasters, and/or help individuals mitigate disasters.

Economic Opportunity

Project activities will provide support and/or facilitate access to services and resources that contribute to the improved economic well-being and security of economically disadvantaged people; help economically disadvantaged people, to have improved access to services that enhance financial literacy; transition into or remain in safe, healthy, affordable housing; and/or have improved employability leading to increased success in becoming employed.

Education

Project activities will provide support and/or facilitate access to services and resources that contribute to improved educational outcomes for economically disadvantaged children; improve school readiness for economically disadvantaged young children; improve educational and behavioral outcomes of students in low-achieving elementary, middle, and high schools; and/or support economically disadvantaged students' preparation for success in post-secondary educational institutions.

Environmental Stewardship

Project activities will support responsible stewardship of the environment, while preparing communities for challenging circumstances and helping Americans respond to and recover from disruptive life events: programs that conserve natural habitats; protect clean air and water; maintain public lands; support wildland fire mitigation; cultivate individual and community self-sufficiency; and provide reforestation services after floods or fires.

Healthy Futures

Project activities will provide support for activities that will address the opioid crisis; increase seniors' ability to remain in their own homes with the same or improved quality of life for as long as possible; and/or increase physical activity and improve nutrition with the purpose of reducing obesity.

Veterans and Military Families

Project activities will positively impact the quality of life of veterans and strengthen military families; increase the number of veterans, wounded warriors, military service members, and their families served by CNCS programs; and/or increase the number of veterans and military family members engaged in service through CNCS programs.

Priority Funding Areas

Special consideration will be granted for applicants who propose to use SC-VGF funding to support the following activities:

Target Models

Skills-Based Volunteering (highly encouraged)

Applicants that are interested in engaging more skills-based volunteers. Skills-based volunteering leverages the skills, education and experience of professionals to strengthen the infrastructure of organizations, equipping them with the tools needed for capacity building. (e.g. accountants, lawyers, human resource professionals) Applicants may also want to consider replicating programs similar to [United Way of the Midland's Blueprint for Nonprofit Leadership](#)—a professional development program focused on nonprofit board leadership.

Disaster Volunteer Reception and Spontaneous Volunteer Coordination

Applicants that are interested in pre-emptively training volunteers to become skilled in participating in response efforts in time of disaster or establishing processes for coordinating volunteers during emergency events.

Health

Applicants that are interested in building and mobilizing volunteer coalitions that will be used to assist in addressing the Opioid Crisis epidemic within the state.

Target Communities

UWASC accepts and is willing to fund applications that propose to provide services to any South Carolina community, but specifically seeks to receive applications proposing to serve communities located in the following counties that are currently underrepresented by National Service resources.

Need	Significant Need	High Need
Abbeville	Colleton (Promise Zone)	Allendale (Promise Zone)
Aiken	Barnwell (Promise Zone)	Bamberg (Promise Zone)
Chesterfield	Hampton (Promise Zone)	Cherokee
Edgefield	Jasper (Promise Zone)	Williamsburg
	Florence	
	Chester	
	Darlington	
	Dillon	
	Marlboro	
	Marion	

Eligibility

This opportunity is open to public or private nonprofit organizations, including faith-based and other community organizations; institutions of higher education; government entities within state territories (e.g. cities, counties), labor organizations; partnerships and consortia; or Tribal organizations

Requirements

- Attend two required trainings on project goals, performance measure documentation /reporting, grant compliance expectations, progress reporting, evidence-based principals and the Commission’s Salesforce portal. (Travel funds will be included in grant budget)
- Attend required conferences, to include the 2019 annual South Carolina Association for Volunteer Administration conference. (Date TBD) – Travel funds will be included in grant budget.
- Successful applicants will be required to remain compliant with grant rules, regulations, and performance expectations and activity participate in an annual site visit or desk audit.
- Grantees must submit progress reports and reimbursement request that include all supporting documentation for applicable expenses (i.e. receipts, staff timesheets/payroll, paid invoices, in-kind contribution documentation, etc.) via the Commission’s Salesforce portal. Progress reports and reimbursement requests will be due on the following dates:

Friday June 7th, 2019

Friday August 2nd, 2019

Friday October 4th, 2019

- Successful applicants will be required to complete a background check consistent with the standards for the Corporation for National & Community Service. This includes a National Sex Offender Predatory Registry (NSOPR) clearance and FBI fingerprint check on all staff members assigned to work on the grant. The National Service Criminal History Check (NSCHC) is a screening procedure established by law to protect the beneficiaries of national service. The law requires recipients to conduct and document NSCHCs on any person (including award-funded staff or volunteer) receiving a salary, living allowance, stipend or education award through a program receiving CNCS funds. This includes staff that receive part of their salary through a grant (CNCS or match side). An individual is ineligible to serve in a position that receives such CNCS funding if the individual is registered, or required to be registered, as a sex offender or has been convicted of murder. The cost of conducting NSCHCs is an allowable expense under the grant award.

Funding Guidance

- Grantee match requirement is minimum 30% in kind and/or cash match, but funding priority will be given to applicants that exceed minimum requirement.
- Required match can be cash or in-kind contributions. Cash contributions may be considered from non-federal income, local governments, state appropriations, foundation grants, private donations and/or corporate contributions.
- Grantees must adequately provide documentation for all match contributions at the time that they submit their reimbursement request (i.e. documentation of staff time spent working on the project, documentation of office space value, etc.)
- Other CNCS funds cannot be used as match.
- Typically, grantees can meet minimum match requirements through in-kind contributions alone and without contributing attritional cash towards the project. Example of goods and services that are commonly reported as in-kind match contributions by applicant organizations include:
 - The portion/value of staff salary related to implementing the activities outlined in the grant proposal.
 - The portion/value of staff fringe benefits related to implementing the activities outlined in the grant proposal.
 - Fair market value of office space that has been contributed to staff or volunteers that will be implementing activities associated with the SC-VGF project.
 - Value of marketing/media that highlights elements of the SC-VGF project
 - Value of technology contributed towards supporting the project. (I.e. volunteer management portals, marketing technology, project management systems, etc.)

- Shirts, uniforms or protective gear that is contributed to support activities listed in the SC-VGF proposal.
- Volunteer reception costs not otherwise supported by funding provided by the SC-VGF grant.
- Equipment or supplies that are utilized to support the SC-VGF project.
- Supplies on hand from existing inventory
- Professional consultation services established to support the SC-VGF project.
- Transportation costs, value of conference registration fees.
- Donated professional financial or legal services.
- The value of transportation services that support the project.

Delinquent on Any Federal Debt	Yes/No (circle)
If 'Yes' to question above, explain	

**DUNS numbers may be obtained at no cost by calling the DUNS number request line at (866) 705-5711 or by applying online: DUNS Request Service. The SC Commission recommends registering at least 30 days before the application due date.*

After obtaining a DUNS number, all applicants must register with the SAM at www.sam.gov and maintain an active SAM registration until the application process is complete and, if a grant is awarded, throughout the life of the award. SAM registration must be renewed annually. The SC Commission suggests finalizing a new registration or renewing an existing one at least three weeks before the application deadline to allow time to resolve any issues that may arise. Applicants must use their SAM-registered legal name and address on all grant applications to the SC Service Commission. Please ensure that your organization's SAM account is open for "Public View."

All organizations registered in SAM.gov are required to submit an original, signed notarized letter designating their Entity Administrator at the time of renewal.

Applicants who do not comply with these requirements may be ineligible to receive or maintain an award. See the SAM Quick Guide for Grantees at https://sam.gov/sam/transcript/Quick_Guide_for_Grants_Registrations.pdf
