Part IV - Additional Information

Part I, Line 2:

UWASC Selection Criteria

Sub-grantees are also usually funded on a multi-year cycle. However, sub-grantees must reapply every year for funding. Availability of funds in the second and third year is contingent upon a number of factors, including the availability of funds and grant opportunities, satisfactory progress in relation to the approved performance measures, compliance with federal, state and other regulations, submission of a continuation or renewal application outlining programmatic changes, a detailed budget for the applicable program year, and any other criteria established in the original award agreement. The selection criteria includes a review of the requesting agency's previous year audited financial statements and IRS Form 990. After each cycle, all sub-grantees seeking to continue must reapply (re-compete) as new programs.

Sub-grantees who reapply for their second or third year are known as "continuation" sub-grantees. The grant review committee will utilize the staff assessment form to evaluate each continuation applicant's capacity to comply with the expectations of the grantor and UWASC. Continuation applicants who have adequately met grant expectations will be recommended for continuation funding without further review.

Continuation requests will only be entered into the second stage of the review process and rescored along with new and recompile applicants if:

- 1) It has been determined by the grant review committee that the applicant has not demonstrated the capacity to comply with the expectations of the grant.
- 2) The applicant has proposed significant changes in the program's design, performance measures, budget, or slot request.
- 3) The program is requesting a significant increase in funding.
- 4) The applicant is requesting expansion and there are not enough resources available to fund continuation applications.
